SMART MIRROR

WITH 32" SCREEN

SMART MIRROR

WITH 32" SCREEN

Take your elevator experience to the next level! Enjoy apps and multimedia content with our new Interactive WECO Mirror.

Designed to impress, this innovative device combines style, functionality and entertainment. Featuring a high-tech design that fits into any environment, adding a touch of sophistication and modernity to the aesthetics of your elevator.

The Android system touchscreen allows you to personalise the experience with a wide range of apps and services. More than just a mirror, it's a window to the digital world.

DIMENSIONS: 1200 x 455 x 37mm / WEIGHT: 20kg
